Membership Application

CVE – PROFESSIONAL DEVELOPMENT LEADERS

Benefits of Membership

Connect with a worldwide community of veterinary professionals intent on keeping their practice and education up-to-date through continuing professional development. As a CVE Member your membership entitles you to:

Discounts on registration at CVE continuing professional development events

- Discounts on TimeOnline enrolments
- Discounts on Blackwell Science publications
- Access to the CVE-library
- Access to CAB and Medline databases
- Complimentary Control and Therapy quarterly magazine (incl: Perspectives)

As a not-for-profit organisation we return more to our members in benefits. If you attend just one major CVE conference per year you'll make back the value of your membership fee.

As a practice owner, if you pay for your veterinarian's membership you will receive a deduction of 30% or more through your business tax return.

Learning, Courses and Resources

Major courses and events

Intensive 3-5 day courses led by dynamic and highly regarded Australian and International leaders in their fields

C&T /Perspective Quarterly

Regarded by many as the leading forum for the exchange of valuable and informative in-practice methodology, information and ideas

Distance Education

Online Courses in a wide range of disciplines presented over 10 x monthly modules by highly experienced tutors.

Research Databases

Links to a raft of leading web resources and services to search for journal citations including VetMed Resource. Databases available to members only via our user-friendly website

Time Online

TimeOnline gives you the flexibility to study when and where you wish and complete your course at your own pace. Programs are short (six week) courses delivered online. Each TimeOnline program is worth 10 cve points.

Vetbookshop

We provide a diverse range of publications including veterinary texts, CD-ROMS and DVDs.

We are the sole distributors for Teton NewMedia products throughout Australasia and a distributor for Blackwell Science Asia publications.

A 15% discount on books from Blackwell Science Asia books is currently available.

About your CVE

The Centre for Veterinary Education (CVE) is a worldwide provider of continuing professional development to the veterinary community.

As an established and recognised leader in continuing veterinary education, CVE provide up-to-date education and information to veterinarians, vet nurses, technicians, carers, support staff and all those involved in the care and welfare of animals.

We are committed to helping you improve the health, wellbeing and welfare of all animals.

Our education and information streams include a variety of innovative educational deliveries, from distance education and online courses to events and publications.

You can confidently choose the CVE to provide you with the further education and training you seek in order to become a better veterinary practitioner and to ensure the continuing success of your practice.
