| Non-Member | \$1,625 | \$435 | Student | \$350 | \$95 |

SPEAKERS

Greg Burton BVSc MACVSc (Surgery) FACVSc (Dermatology)

Greg graduated from the University of Queensland in 1983. Greg completed his 3-year residency in Dermatology and became a Fellow of the College in Veterinary Dermatology in 1997. Since 1999 Greg has been a director of the Skin, Ear and Allergy Service at the Melbourne Veterinary Specialist Centre. Since 2002, he has been the Principle Fellow in Dermatology at the University of Melbourne and is responsible for dermatology in the veterinary faculty.

Mandy Burrows BVMS MACVSc FACVSc Vet Dermatology

Mandy is a registered specialist, consultant and lecturer in veterinary dermatology at Murdoch University Veterinary Hospital, Western Australia and teaches in the distance education course at Massey University, New Zealand. She lectures in dermatology at both national and international scientific meetings. Mandy is currently the Assistant Chief Examiner and serves on the Board of Examiners of the Australian College of Veterinary Scientists, the Board of the *Journal of Veterinary Dermatology* and is the Oceanic representative for the World Veterinary Dermatology Association.

Peter B. Hill BVSc (Hons) PhD DVD DipACVD DipECVD MRCVS MACVSc

Peter Hill graduated from the University of Liverpool in 1986 and has undertaken residency and tenure at the Universities of Wisconsin-Madison, Edinburgh and Bristol combining clinical, teaching and research activities. He currently works at the Veterinary Specialist Centre in North Ryde. Peter is the only veterinary dermatologist in the world to have been board certified in the UK, Europe and the USA as well as having a PhD.

Arthur House BSc, BVMS, PhD, Cert SAS

Arthur graduated from Murdoch University Veterinary School with a Certificate in Small Animal Surgery. In 2000 he graduated from the Royal College of Veterinary Surgeons. In 2004 Arthur successfully completed his surgical specialty training in Small Animal Surgery. Following his surgical specialty training he was awarded a PhD and is currently a lecturer in Small Animal Surgery at the Royal Veterinary College, London, UK and now works at the Melbourne Veterinary Specialist Centre.

Richard Malik DVSc DipVetAn MvetClinS

Richard graduated from the University of Queensland with a Bachelor of Veterinary Science and became a Specialist at the Centre for Veterinary Education in 1991 and is a registered specialist in Small Animal Medicine. He is interested in all facets of small animal medicine including dermatology, neurology, cardiology and general medicine.

Beth McDonald BVSc (Hons), MvetClinS

Beth McDonald graduated from the University of Queensland with a Bachelor of Veterinary Science and worked at North Shore Veterinary Hospital, during which she completed her residency through Murdoch University and gained her Certificate in Small Animal Dermatology from Louisiana State University in Baton Rouge. In 1998, she became a member of the American College of Veterinary Dermatologists. Since then, Beth has been interested in the management of allergic patients.

Greg Burton, Linda Vogelnest, Beth McDonald, Mandy Burrows & Peter Hill
- 4.45 – 5.00** **Closing Remarks**

T.G. HUNGERFORD AWARD

The T. G. Hungerford Award for Excellence is awarded annually and recognises a distinguished veterinarian that has displayed excellence in continuing veterinary education. The award was instituted by the Council of the Centre for Veterinary Education (formerly Post Graduate Foundation in Veterinary Science) on the retirement of the late Dr T. G. Hungerford OBE in recognition of his enormous contribution to the veterinary profession and to the Australian community. The 2009 T. G. Hungerford Award will be awarded at a special banquet during this conference.

"So splendid is their performance they adorn the awards for excellence now conferred upon them".
- T.G. Hungerford

Dip ECVS, MRCVS

In 1994. Whilst in general practice Arthur achieved a D he began a residency in surgery at the Royal Veterinary y became a Diplomate of the European College of training Arthur joined a research group investigating Anal d in 2008. In 2007 Arthur was awarded a position as a al Veterinary College. In July 2009 Arthur returned home e Veterinary Specialist Centre.

stud PhD FACVSc FASM

f Sydney in 1981. He is currently the Valentine Charlton ucation. Richard passed his FACVSc in Medicine of Cats efeline medicine and small animal medicine. Although medicine, he is particularly interested in infectious etically transmitted diseases.

stud, MACVSc (Small Animal Medicine), DACVD

ity of Sydney in 1988. For six years, she worked at the ich she completed her Masters in Veterinary Clinical Studies r MACVSc.
